Year 4 Homework Grid - Autumn Term 2 – 2026

English, Maths and Spelling homework is sent home each Friday and due back the following Wednesday. Please also read at home a minimum of three times per week and record this in your reading record to use towards Read to Succeed. Try and use your online Mathletics, Spelling Shed, Purple Mash and Times Table Rock stars logins as often as possible. Your passwords can be found in the front of your reading record.

Reading	Maths	Spellings
Read for approximately 10 minutes every day. You may read books from home, school or the school website. You can also read magazines, newspapers, packaging, computer information etc. Fill in you reading record every time that you read. You will also have fortnightly reading comprehensions in your 'SATs Booster' packs to complete.	Complete the set maths homework. Sometimes your homework will be set using the Mathletics app. Practise your times tables using your TT-Rockstars log in. Try to do approximately 5 minutes every day. You will also have a weekly arithmetic practise in your 'SATs Booster' packs to complete.	Spelling activities: Use your Spelling Shed log in to practise a range of spellings.

Project based homework

The suggested ideas below are linked to the work that you will be covering in class this half term. Please complete **a minimum** of 3 projects across the half term. Your work can be presented however you choose; be creative!

Science	Create your own experiment of melting ice.	Make your own water cycle, using a bag.	Label the states of matter, with diagrams of the particles.	Research 10 facts about the states of matter.	Create a comic strip of the water cycle.	Create a board game or quiz about the states of matter.
History	Design a trophy to celebrate what you think is Ancient Greece's greatest legacy.	Write a newspaper article: **"Ancient Greek Idea Changes the World!"**	Prepare a short speech: **"I believe the most important Ancient Greek legacy is..."**	Draw one Ancient Greek legacy and label it.	Using the word **LEGACY**, write an acrostic poem about your chosen Greek achievement.	Research a Greek legacy and give clues without naming it.
Geography	Research 10 facts about mountains and volcanoes.	Make a 3D model of a mountain.	Make a 3D model of a volcano.	Create a board game or quiz about mountains and volcanoes.	Prepare a presentation about how volcanoes are developed.	Find out the top 5 most famous volcanoes and mountains.
Design and Technology Cooking and Nutrition.	Write a recipe for a healthy meal.	Taste as many different healthy foods as you can and review them.	Create a food hygiene poster.	Design a leaflet explaining the importance of a healthy diet.	Help your grown-ups cook dinner at least twice.	Plan and help make your own healthy packed lunch.
PSHE Celebrating Difference	Identify the similarities and differences between your friends or family members.	Consider who the most important people in your life are, and why.	Create a short video or presentation about bullying.	Create an anti-bullying slogan.	Identify what makes you special and think of a way to share this information with your class	Complete an activity that helps your mental wellbeing and makes you feel calm and happy.
Other	**Computing** Complete 3 tasks on Purple Mash.	**Art** Use dried leaves to create an autumn picture	**Music** Write your own song. You could video this and send it to your teacher on Class Dojo!	**MFL** Research French houses. How are they different to houses we have in the U.K?	**P.E** Enjoy a winter walk – what can you see, hear, touch and smell?	**R.E** Pentecost Flame Craft Draw or make a flame using coloured paper.

If you need any support logging on to online accounts or need additional resources to complete above tasks, please come and see us.
