Year 1 Homework Grid - Autumn Term 2 – 2026

Homework due every Wednesday (Taken home on Friday)

You must do all three boxes every week: Reading, maths and phonics

Reading	Maths	Phonics
 Read for approximately 10 minutes every day. You may read books from home, school or the school website (virtual library virtual-libary-final-draft.pdf (primarysite-prod-sorted.s3.amazonaws.com)). You can also read magazines, newspapers, packaging, computer information etc. Fill in you reading record every time that you read.	Complete the set maths homework. Try to use your Mathletics login as often as possible. 	Practise reading some of the words that have been learnt that week in class. Have a go at sounding them out and blending. Don't forget to read the tricky words on there too! Spend 5-10 minutes each day reading over these to develop your fluency! 

Project-Based Homework: The suggested ideas below are linked to the work that you will be covering in class this half term. You can choose **a minimum** of three projects to complete during the half term. However, if you would like to, or have time to, you can do as many as you like. Your work can be presented in many different ways, such as: through art, presentations to the class, on the computer, 3D models or written work etc.

Be creative and have fun learning!

Science  Seasonal Changes Autum and Winter	Find an empty shoebox (or small box) and turn it into an autumn scene!	Go for a walk with your family and see how many autumn items you can spot.	Become a weather reporter for one week! Each day, look outside and draw the weather.
Geography Local Area: where do we live?	Go on a walk with an adult and take photographs (or draw pictures) of things in your local area.	Create a poster about your favourite place in the local area. Include: • A picture • Its name • Why you like it • What people can do there	Stand with an adult in a safe place and count different vehicles for 10 minutes. Which vehicle did you see the most?
History Photographs from history.	Ask a family member to show you an old photograph. Draw or write: • Who is in the photograph? • What are they wearing? • What clues show it is from the past?	**Make a Memory Box** Collect 3 photographs that are special to your family.	Ask an adult if they have an old photograph of your house, street or local area. Draw a picture showing: • What it looked like in the past • What it looks like today
Art Collaging 	Find out some facts about Megan Coyle on the internet.	Experiment making your own collage using different materials.	Use old cut up magazines, comics picture cards or newspapers to make a collage of an animal.
PSHE  Celebrating differences	Identify the different celebrations and festivals people celebrate this term.	Make a poster about your family and what things you like to do together.	Make a list of activities that promote turn-taking. E.g., playing family board games together.
Other	**Computing**  Practise logging in and out of Purple Mash remembering passwords and completing challenges set.	**Music** Practise keeping a beat of 4. 	**RE**  Can you create the Nativity scene using a shoebox or small box? .
			P.E  Create a poster about different sports and discuss your favourites.
