Year 2 Homework Grid - Autumn Term 2 – 2026

Homework due every Wednesday (Taken home on Friday)

Reading	Maths	Spelling:
 Read for approximately 10 minutes every day. You may read books from home, school or the school website (virtual library virtual-libary-final-draft.pdf (primarysite-prod-sorted.s3.amazonaws.com)). You can also read magazines, newspapers, packaging, computer information etc. Fill in your reading record every time that you read.	 Complete the set maths homework. Practise your times tables using your TT-Rockstars log in. Complete Mathletics activities and collect 1000 points a week to earn a certificate!	 Spelling activities: Use your Spelling Shed log in to practise a range of spellings. Have a go at the 'Mastery Zone' for an extra challenge.

Project-Based Homework: The suggested ideas below are linked to the work that you will be covering in class this half term. You can choose **a minimum** of three projects to complete during the half term. However, if you would like to, or have time to, you can do as many as you like. Your work can be presented in many different ways, such as: through art, presentations to the class, on the computer, 3D models or written work etc.

Be creative and have fun learning!

Science  Plants	Investigate – What do plants need to grow? Have a go at planting a seed and see if you can get it to grow.	Explore- Have a look at the plants in your house or on the way to school. Can you find the names of any of these?	Research – Choose a different country and find the names of some of the plants that grow there.
History  Ruling and religion	Who was Queen Elizabeth I? What is she known for? Make a fact file all about her.	Draw a portrait of Queen Elizabeth I.	Research the Spanish Armada. What is it? What year did this happen?
Geography  What is life like in London?	Can you find where London is on a map?	Research what the London underground is. Can you write down the name of any of the stations?	Can you draw any famous landmarks in London? Have you visited any and have some photographs?
Design and Technology  Sliders and Levers.	Create your own slider or lever mechanism. Go on YouTube to give you some ideas. Using Sliders and Levers to Create Things - YouTube	Investigate – Can you find anything around your house that has a slider or lever? Make a list!	Create a Christmas/Winter card that has a slider or lever mechanism. (Use google to give you some ideas)
PSHE  Celebrating Difference Respect for similarity and difference.	Draw a self-portrait. Write down all the things that you love to do. Do you have any hobbies that you could add?	Create an anti-bullying poster.	Write down a list of things that make a good friend.

Other	Computing	Music	R.E	P.E
	 Log in to Purple Mash and have a go at drawing a picture on 2paint.	 Have a go at singing one of your favourite songs or nursery rhymes. Can you remember the words?	 What are you grateful for? Write a list or share this in a prayer.	 Create a warmup activity that we could complete in our PE lesson.
