Year 3 Homework Grid - Autumn Term 2 – 2026

English, Maths and Spelling homework is sent home each Friday and due back the following Wednesday. Please also read at home a minimum of three times per week and record this in your reading record to use towards Read to Succeed. Try and use your online Mathletics, Spelling Shed, Purple Mash and Times Table Rock stars logins as often as possible. Your passwords can be found in the front of your reading record.

Reading  Read for approximately 10 minutes every day. You may read books from home, school or the school website. You can also read magazines, newspapers, packaging, computer information etc. Fill in you reading record every time that you read. You will also have fortnightly reading comprehensions in your 'SATs Booster' packs to complete.	**Reading**  Read for approximately 10 minutes every day. You may read books from home, school or the school website. You can also read magazines, newspapers, packaging, computer information etc. Fill in you reading record every time that you read. You will also have fortnightly reading comprehensions in your 'SATs Booster' packs to complete.	**Reading**  Read for approximately 10 minutes every day. You may read books from home, school or the school website. You can also read magazines, newspapers, packaging, computer information etc. Fill in you reading record every time that you read. You will also have fortnightly reading comprehensions in your 'SATs Booster' packs to complete.

Project based homework The suggested ideas below are linked to the work that you will be covering in class this half term. You can choose **a minimum** of 3 projects. However, if you would like to, or have time, you can do as many or more if you like. Your work can be presented in many different ways, such as through art, presentations to the class or on the computer, 3D models, written work etc. Be creative and have fun learning!

Science Introduction to the human body 	Draw or print a skeleton and label as many bones as you can.	Find and name five muscles in your body and identify what movements they help you make.	Complete 20 star jumps and record how your muscles and breathing change.	Create a poster showing ways to keep your bones and muscles healthy.	See how many seconds you can hold different balances or poses and record your results.	Draw a healthy meal that contains foods that help build strong bones and muscles.
History  Iron and Bronze age	Draw and decorate a Bronze Age pot using patterns you think people may have used	Make a small model roundhouse using recycled materials from home.	Draw a timeline showing the Stone Age, Bronze Age and Iron Age in the correct order.	Look around your home for objects made from metal and list which might be made from iron.	Create a labelled picture of an Iron Age hillfort showing its main features.	Write a short diary entry describing a typical day in the life of an Iron Age child.
Geography The water Cycle. 	Draw and label the water cycle on a clear zip-lock bag.	Create a colourful poster showing the four main stages of the water cycle: Evaporation Condensation Precipitation Collection	Keep a weather diary for one week. Record: Sunny days Cloudy days Rainy days	Create a comic strip following a drop of water on its journey through the water cycle. Give your water droplet a name and describe its adventures.	Make a list of 10 ways your family can save water.	Use materials from around your home (paper, cotton wool, boxes, string, or recycled materials) to build a 3D model of the water cycle.
Art 3D Art using clay/salt dough. 	Roll, shape and mould clay or salt dough to create a simple pot.	Decorate a pot using lines, shapes and repeating patterns.	Design a patterned pot on paper.	Create a clay or salt dough sculpture of an animal.	Make a decorative tile using clay or salt dough and add textured patterns.	Design and make a Roman coin.
PSHE  Celebrating Difference	Design a jigsaw piece about you and my family.	Create an anti-bullying poster.	Create a short video or presentation about bullying.	Create an anti-bullying slogan.	Identify what makes you special and present this as a poster or presentation.	Draw a picture of your family and what your family means to you.
Other	**Computing**  Complete some tasks on purple mash.	**Computing**  Create an internet safety poster.	**Music**  Listen to the songs that we are learning with Mr Brennan.	**MFL**  Learn the different colours in French.	**P.E**  Create a poster about Tennis	**R.E**  Create a Diva lamp to celebrate Diwali.
