

Art-TEXTURES

What different textures can you find in your house?

What words could we use to describe how a texture feels?

For Example.....

Is it hard, smooth, soft, fluffy....

Can you experiment making a picture using different textures?

Here are some examples of pictures using different textures.

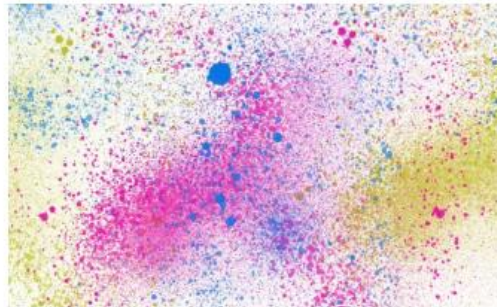

Pasta

Glitter

Paint

Paper

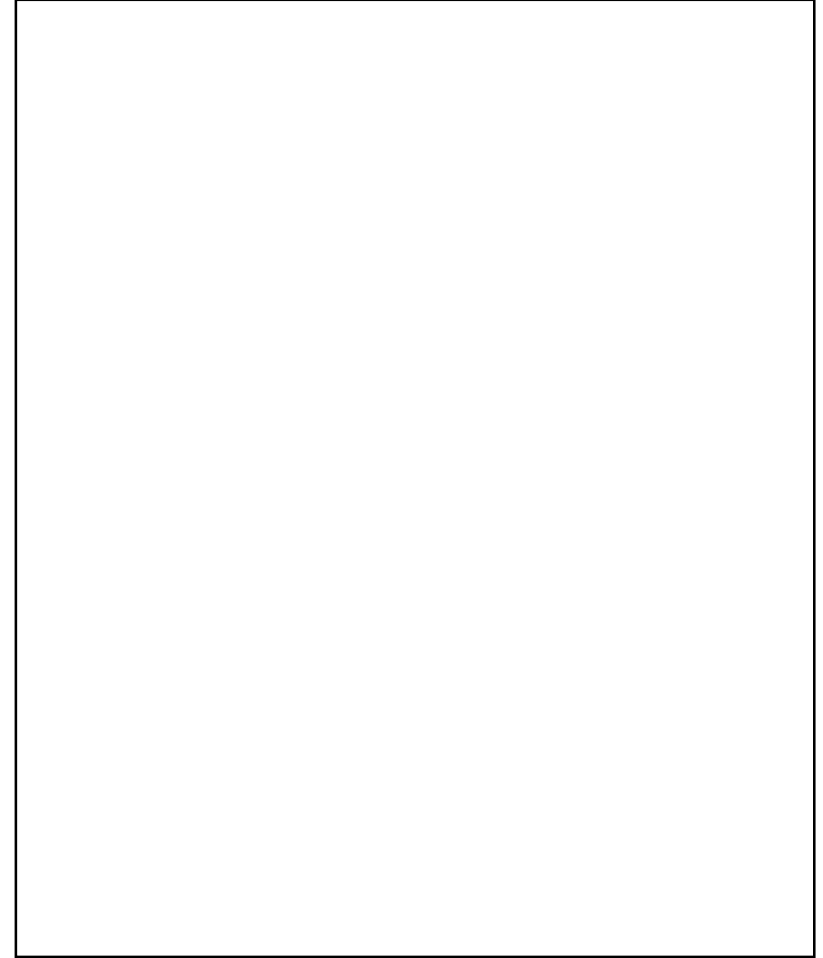

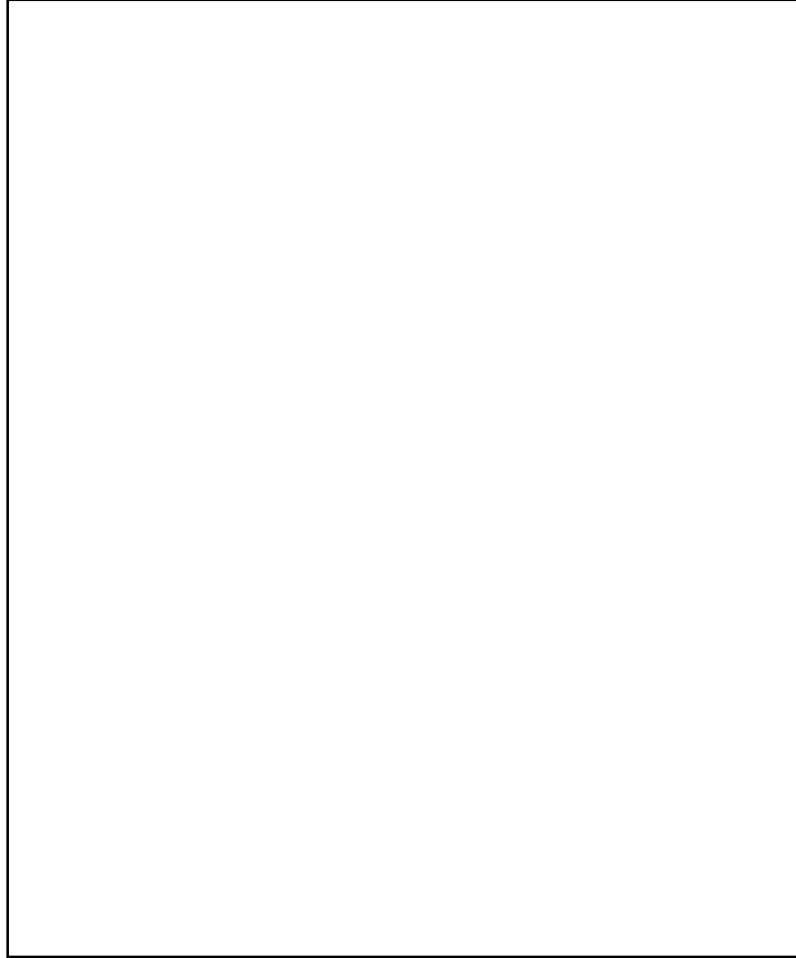

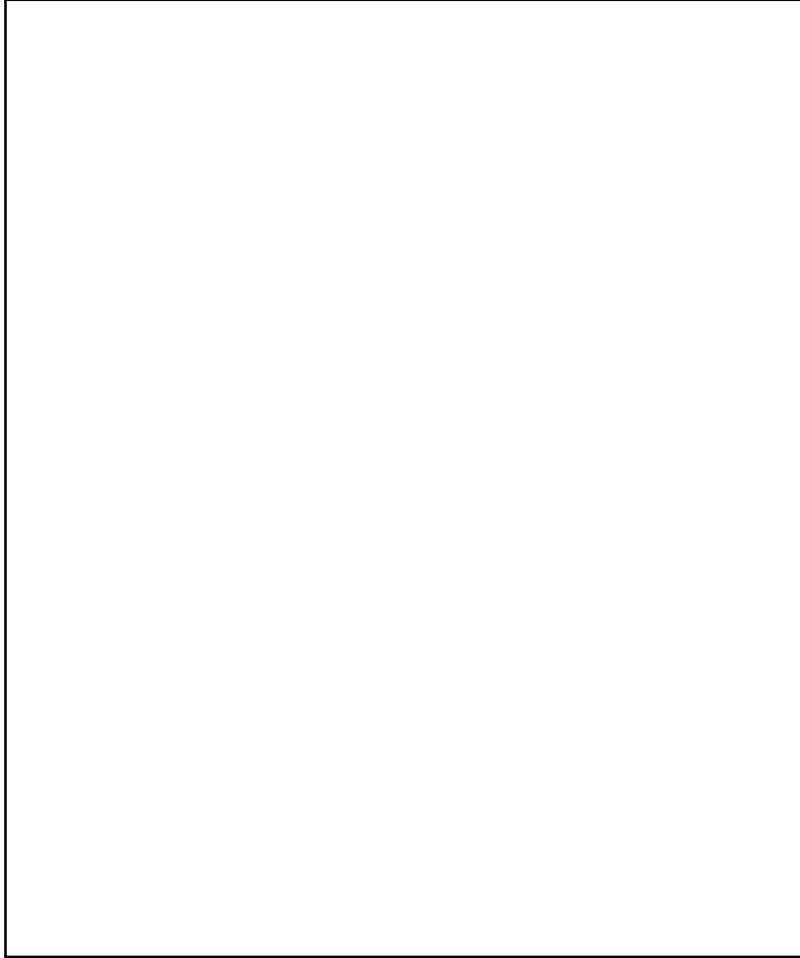

Plastic

Wednesday 3rd February 2021

WALT: experiment with materials to create texture.

Can you create your own pictures using different textures of your choice and write down what you have used.

Textures used; _____
