

Homework due every Wednesday (Taken home on Friday)

You must do all three boxes every week: Reading, maths and spelling

Reading

Read for approximately 10 minutes every day. You may read books from home, school or the school website (virtual library [virtual-library-final-draft.pdf \(primarysite-prod-sorted.s3.amazonaws.com\)](#)). You can also read magazines, newspapers, packaging, computer information etc. Fill in your reading record every time that you read.

Maths

Complete the set maths homework.

Sometimes your homework will be set using the Mathletics app. Practise your times tables using your TT-Rockstars log in. Try to do approximately 5 minutes every day.

Project-Based Homework: The suggested ideas below are linked to the work that you will be covering in class this half term. You can choose a **minimum** of three projects to complete during the half term. However, if you would like to, or have time to, you can do as many as you like. Your work can be presented in many different ways, such as through art, presentations to the class, on the computer, 3D models or written work etc.

Be creative and have fun learning!

Science

What's it made from?

Create a poster about the four different seasons.

Investigate – What materials float and sink in your house?

Explore the textures of materials around your house.

Geography

Our local area

Identify places around Old Hill and discuss their location.

Create a map of Old Hill.

Interview someone who has lived in Old Hill a long time to find out about how the area has changed.

Design and Technology

Cooking and nutrition.

Design a healthy meal.

Follow a recipe and take a picture of your creation.

Create a food hygiene poster.

PSHE

Being Me in My World

Talk about the people in your family or people who are special friends.

Create a picture of people who you trust. A safe person.

Create a poster about special friends at school.

Other

Computing

Create an internet safety poster.

Music

Make a tuned musical instrument.

P.E

Create a poster to advertise healthy eating and the importance of exercise.
