

Year 5 Homework Grid - Autumn Term 1 – 2024

Homework due every Friday (Taken home on Friday)

You must do four boxes every week: Reading, SPaG, Maths and Spelling

Reading

Read for approximately 10 minutes every day. You may read books from home, school or the school website (virtual library virtual-library-final-draft.pdf (primarysite-prod-sorted.s3.amazonaws.com)). You can also read magazines, newspapers, packaging, computer information etc. Fill in you reading record every time that you read.

Maths

Complete the set maths homework. Sometimes your homework will be set using the Mathletics app. Practise your times tables using your TT-Rockstars log in. Try to do approximately 5 minutes every day.

English

You will also have a piece of reading comprehension or SPaG homework to complete each week.

Spellings

Complete the spelling homework that has been set. Try to practise a little bit every night. Spelling activities: Use your spelling shed log in to practise and revisit all of your previous spellings.

Project-Based Homework: The suggested ideas below are linked to the work that you will be covering in class this half term. You can choose **a minimum** of three projects to complete during the half term. However, if you would like to, or have time to, you can do as many as you like. Your work can be presented in many different ways, such as: through art, presentations to the class, on the computer, 3D models or written work etc.

Be creative and have fun learning!

Science

What happens in space?

Create a poster based on the Solar System.

Create a 3D model of a planet of your choice.

Design and create your own planet with a new name!

Research Nicolaus Copernicus and create a fact file about him.

Research the different orbit paths of each planet and create an information sheet.

Research the Solar System and find as many moons as you can linked to the different planets.

Geography

Trade

Research a list of companies which support Fairtrade.

On your weekly food shop, see how many Fairtrade labels you can spot.

Design your own Fairtrade logo.

Research who the UK trades with and what food items are imported into the country.

Create a speech to persuade people to buy Fairtrade products.

Design a brand-new Fairtrade packaging, for chocolate, making sure the logo is visible.

Art

Printing

Research Angie Lewin and create a fact file about her.

Visit the park and draw what you can see!

Create your own greetings card using an Angie Lewin design.

Create your own notebook cover using an Angie Lewin design.

Research another artist who creates similar work to Angie Lewin.

Research different universities and what Art degrees they offer.

PSHE

Being Me In My World

Write down three goals you would like to achieve at school this year and how you could achieve them.

Write down three goals you would like to achieve outside of school this year and how you could achieve them.

Write a letter to yourself about what you would like to achieve this year. Keep it safe and then read it at the end of the year!

Complete your own C.V linked to a job that would like to do when you are older.

Be an Agony Aunt at home for the day and help out with any problems that anyone has in your house!

Create your own reward and consequence system that you could use at home.

Other

Computing

Complete some tasks on Purple Mash.

Computing

Create a PowerPoint linked to Fairtrade or the Solar System.

Music

Create your own Reddal Hill rap!

MFL

Label a world map in French.

P.E

Complete a Joe Wicks workout on YouTube.

R.E

Write an acrostic poem on how to be a loving person.
