

English, Maths and Spelling homework are sent home each Friday and due back the following Wednesday. Please also read at home a minimum of three times per week and record this in your reading record to use towards Read to Succeed. Try and use your online Mathletics, Spelling Shed, Purple Mash and Times Table Rock stars logins as often as possible. Your passwords can be found in the back of your reading record.

Reading  Read for approximately 10 minutes, three times per week. You may read books from home, school or the school website (virtual library virtual-library-final-draft.pdf (primarysite-prod-sorted.s3.amazonaws.com)). You can also read magazines, newspapers, packaging, computer information etc. Fill in your reading record every time that you read.	Maths  Your Maths homework will be linked to our learning from that week. Practise your times tables using your TT-Rockstars log in for approximately 5 minutes every day. This will really help prepare you for your Times Tables Check later in the year.	Spellings  Complete the weekly spelling homework that is set. Try to practise a little bit every night. Spelling activities: Use your Spelling Shed log in to practise and revisit all of your previous spellings.				
Project based homework The suggested ideas below are linked to the work that you will be covering in class this half term. Please complete a minimum of 3 projects across the half term. Your work can be presented however you choose; be creative!						
Science  How does pitch and volume affect sound?	Illustrate or make a model of the human inner ear.	Make a homemade musical instrument that can alter its pitch.	Research the scientist Alexander Graham Bell.	Practise singing as many different notes as you can. How long can you hold a note for?	Investigate – How can you block out sound? (Why do ear defenders work?)	Explore pitch – Fill bottles with varying amounts of water and blow across the top. What do they each sound like? Why?
History  Could all Ancient Egyptians be mummies?	Create an informative poster or model of an Egyptian Pharaoh.	Research Tutankhamun.	Identify the landmarks of Ancient Egypt.	Create a Pharaoh mask.	Make an Egyptian pyramid.	Research mummification.
Design and Technology  Cooking and nutrition.	Write a recipe for a healthy meal.	Taste as many different healthy foods as you can and review them.	Create a food hygiene poster.	Design a leaflet explaining the importance of a healthy diet.	Help your grown-ups cook dinner at least twice.	Plan and help make your own healthy packed lunch.
PSHE  Celebrating Difference	Identify the similarities and differences between your friends or family members.	Consider who the most important people in your life are, and why.	Create a short video or presentation about bullying.	Create an anti-bullying slogan.	Identify what makes you special and think of a way to share this information with your class	Complete an activity that helps your mental wellbeing and makes you feel calm and happy.
Other	Computing  Complete 3 tasks on Purple Mash.	Art  Use dried leaves to create an autumn picture	Music  Write your own song. You could video this and post it on Class Dojo!	MFL  Research a traditional French dish and work with your grown-ups to make it.	P.E  Enjoy a winter walk – what can you see, hear, touch and smell?	RE  Create a list of rules and guidelines to help people live a happier life.
