

Friendship Problems Scenario and Questions 3

Please read the following scenario and answer the questions.

Mary has been on holiday and bought her best friend, Saffi, a friendship bracelet.

Mary gives Saffi the bracelet for being her best friend.

Saffi is thrilled to receive the bracelet but Mary is upset because Saffi hasn't given her a bracelet in return.

'Where is my friendship bracelet from you?' Mary says.

Saffi is upset and hurt. She hasn't been on holiday and hasn't bought Mary a bracelet. She thought Mary was her best friend but she is really hurt that Mary wants something back in return for the bracelet.

'I haven't been on holiday. I'm sorry, I don't have a friendship bracelet for you', Saffi replies.

Mary says, 'Fine! You aren't my best friend then!' Mary snatches the bracelet back and runs off leaving Saffi crying on her own.
