Read this short story. Practise reading it a few times until you are fluent.

Once up a time, there lived a knight. He wanted to marry a lady with a kind, true heart. Although he travelled far and wide, he could not find anyone with a kind heart. The knight returned to the castle and he felt very upset.

That night, there was a roaring storm. A very wet lady knocked on the castle door. "I was caught in the storm and I am far from home. Please can I come to get dry?" she asked.
