WALT: write a rhyming poem

REMEMBER:

Follow the rhyming structure a,b,a,b,c,b

This means the 1st and 3rd line need to rhyme. The 2nd, 4th and 6th line rhyme. And the 5th line is stand alone (doesn't rhyme with another line)

E.g.

The Porpoise

The Porpoise swam around the sea,

To see what he could find.

He suddenly discovered a beautiful bee,

That was stuck in a bowl, he was blind.

The Porpoise grabbed it in one and let go

The bee buzzed in joy, it was so kind.
