Historical Recount

WALT: write and publish our historical recount.

Your Task

In today's lesson, you are going to be publishing the final version of your historical recount. You can do this in different ways:

- Use the sheets attached to this document
- Write it on a piece of paper and create your own border and designs for it (you could even tea stain the piece of paper)
- Type up your work on a word document

Remember to proofread your work, check your spellings and use your best handwriting.

We would love to see the final versions of your historical recounts after all of the hard work and effort that you have put in over the past two weeks! If possible, please email us pictures or documents of your final pieces so that we can celebrate your achievements with you on our "Shout-outs" page on the website.
