

Friday

Time

WALT: discover start and end times \*

In today's lesson you are going to use your knowledge of time to discover start and end times.

Brett gets home from school at this time in the afternoon.

He wants to watch a cartoon at 4:00 pm. (Or 16:00)

a) How long does Brett have to wait for the cartoon to start?

minutes

b) The cartoon lasts for 25 minutes. What time will it finish?

Give your answer as a 24-hour clock time.

\_\_\_\_\_

Nijah has football practice at 16:10

It lasts for 45 minutes.

a) What time will it finish?

Give your answer as a 24-hour clock time.
