Multiplication and division

WALT: recognise related calculations.

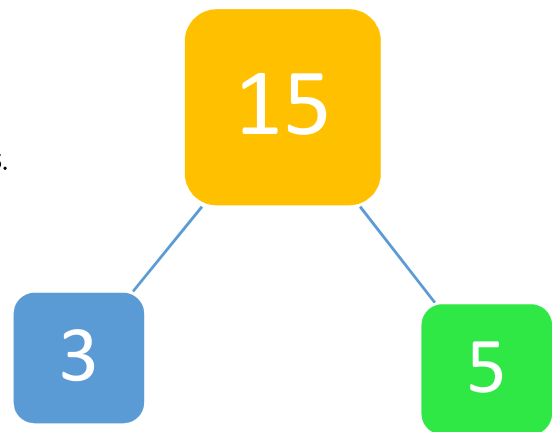

Related number facts can help you solve different calculations. Look at the number tree on the right. This can help us with 4 calculations.

$$5 \times 3 = 15$$

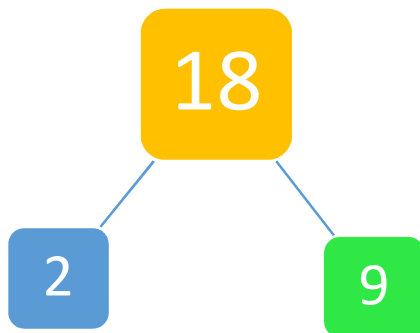

$$3 \times 5 = 15$$

$$15 \div 5 = 3$$

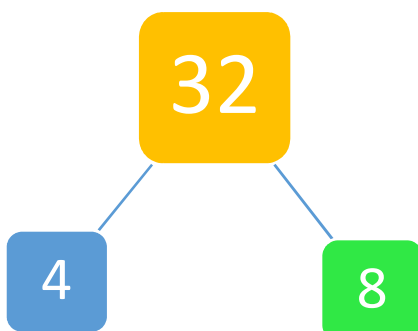

$$15 \div 3 = 5$$

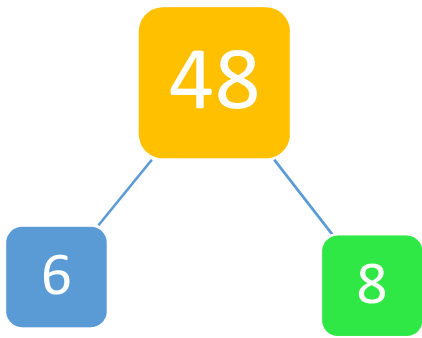

Activity 1: Use the number trees to complete the 4 calculations.

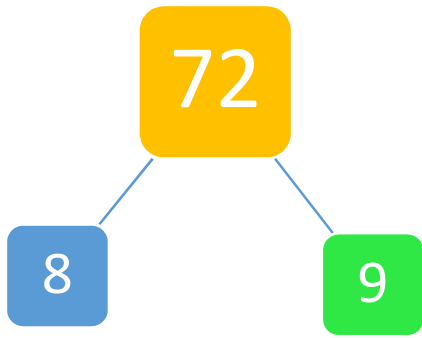

1. _____
2. _____
3. _____
4. _____

1. _____
2. _____
3. _____
4. _____

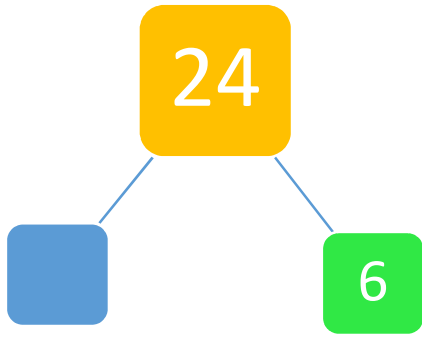

1. _____
2. _____
3. _____
4. _____

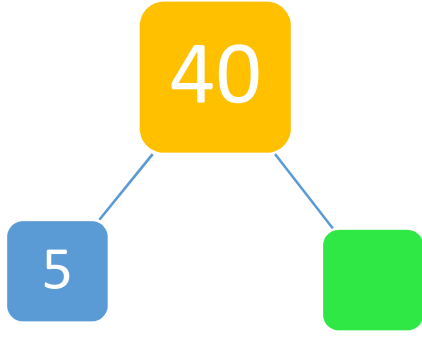

1. _____
2. _____
3. _____
4. _____

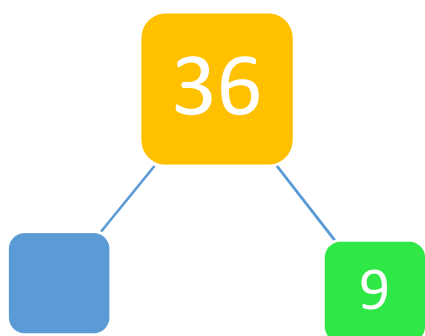

Activity 2: Use your times table knowledge to complete the number trees and then complete your related 4 facts.

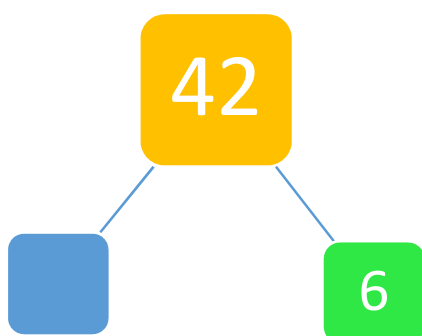

1. _____
2. _____
3. _____
4. _____

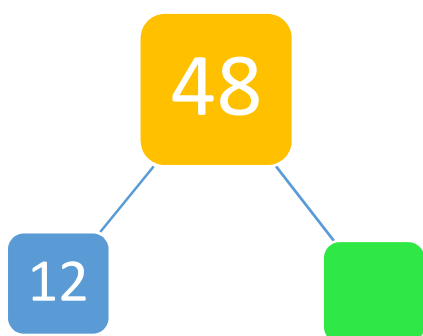

1. _____
2. _____
3. _____
4. _____

1. _____
2. _____
3. _____
4. _____

1. _____
2. _____
3. _____
4. _____

1. _____
2. _____
3. _____
4. _____

Activity 3: Create your own number trees for numbers below, writing the relevant facts.
