WALT: explain what we have read

Read a story to your grown up or let the grown up read the story to you. When you have finished reading the story explain to your grown up what you have read. Who were the characters in the story? Who were the main characters? What was the story about? Were there any good/bad characters? Write these answers down or discuss them with your grown up.

A series of ten horizontal dashed lines for writing, each preceded by a small decorative vine with leaves.
