

History

Neil Armstrong

Below is a time line with 5 separate boxes. In each box write a sentence to describe what Neil Armstrong did during different stages of his life. Also write the date in which this happened. There are pictures also attached to this document to help you. There is also a power point saved as a PDF on the school website with further information about Neil Armstrong. It may be best to read through the Power point first before completing the time line.

Neil Armstrong Timeline

[illegible]
