

Key messages

- Sandwell Council is developing a new litter bin strategy to help reduce littering and improve the local environment.
- The information we receive will inform a litter bin strategy that delivers a modern service that meets the aims of the national litter strategy and improve street cleanliness.
- The feedback from the survey will help to identify what aspects of these services people are happy with as well as the areas which could be improved.
- Children and young people are an important part of our community, we want to hear your views and suggestions on how we manage litter.

To complete the survey please click on the link or scan the QR code: -
