Read to Succeed

Dear Parents / Carers,

We have some very exciting news to share with you. As you are all aware, reading books at home is incredibly important. Reading ten minutes a day can improve a child's wellbeing, improve mood and reduce stress. It is an activity that can be enjoyed individually or together. As a school we love hearing that parents and carers are reading at home with their children. We would like to encourage you to continue doing this or possibly if you don't, start doing this as often as you can.

We are introducing 'Read to Succeed'. Read to Succeed is a new programme (name chosen by the pupils) where children can receive badges and certificates for the amount of times they read at home.

When a child reads at home 45 times they will become a Bronze Reader and receive a bronze badge and certificate. When that child reads another 45 times they will become a Silver Reader and receive a silver badge and certificate. Finally, when the child has read another 45 times they will become a Gold Reader and receive a gold badge and a certificate. Parents / carers must write a short comment in their child's reading record so we can track the number of reads.

If a child loses a badge we will have a replacement for sale at £1 per badge. This will restart again each time your child moves to a new year group.

We are working hard as a school to develop the love of reading and feel that Read to Succeed is a way we can work together to ensure all children have a positive relationship with reading.

Thank you for your continued support as always.

Kind regards,

Mrs H Rogers

Assistant Headteacher

"If you are going
to get
anywhere in life
you have to read
a lot of books."

~ Roald Dahl
