

You Say...We Do!

Parent Questionnaire – February 2022

You say...	Action we have taken or about to take...	Timescale
We would like appropriate behavioural recognition/reprimand.	Mrs. Rogers (AHT Behaviour), to share Behaviour Leaflet with all parents / carers which gives clear rewards for positive behaviour and consequences for inappropriate behaviour. These will be shared again whenever rewards and / or consequences are updated.	March 2022
Information sent out to parents should be appropriately proof read before sending, the messages and letters are often littered with spelling mistakes and have forms or documents missing.	All staff to ensure letters are proof read prior to being sent out. All letters to be shared with SMT. Office staff to proof read text messages prior to them being sent out.	With immediate effect.
More explanation of homework and more reading books.	Homework grids are currently sent home on the first Friday of each half term. Mrs. Whitehurst (AHT Curriculum), to send homework grids to all families. Mrs. Rogers to complete a book audit to ascertain number and types of books the school currently has and purchase new books, based on children's interests, in the new financial year.	Homework – March 2022 Reading books ordered – April 2022
More support for children who need it.	AHT's to inform parents / carers of interventions children are taking part in every half term / termly via an 'Intervention letter.'	With immediate effect.
School uniforms, when children leave, make sure they have the right uniform as my child got the wrong uniform and they did not deal with very well.	The school has now displayed the correct school uniform on the school website. Mrs. Whitehurst to share the poster of the correct school uniform and PE kit with all parents / carers and display in parents' noticeboard.	March 2022
Bigger dinner hall so that nobody has to eat outside the dinner hall.	Year 5 and Year 6 pupils who have a packed lunch to eat their lunch in the Year 5 / Year 6 classrooms to reduce the number of pupils in the dining hall.	With immediate effect.

It would be nice to come to parent workshops to do activities with my child at school and also would be nice to attend award assemblies.	Parents / carers will be invited back into school after the Easter holidays as long as new Covid cases continue to decline.	April 2022
