

Life Skills

It is very important that we begin to learn and consolidate a range of life skills.

This week, the theme is BAKING!

See if you can complete these activities and remember to send any pictures to our class email address so that Miss Pike and Miss Griffiths can see them!

1. Find a recipe of a dessert that you would like to try to bake. Have a look at the ingredients list and write down what you need.
2. Check your cupboards! You might already have some of the ingredients at home. Write a list of anything that you need to get in your next weekly shop.
3. Help bake your chosen recipe! Open the packets, weigh the ingredients, whisk, stir. Follow all of the steps in the recipe.
4. Serve your dessert to your household.
5. Ask them what they thought of it and give it a score out of 10. Hopefully you will get 10/10.
