

## Life skills- Recycling competition

With us all spending extra time at home, it's more important than ever to make sure we are reusing and recycling as much of our household waste as possible.

Reddal Hill Eco Council Challenge -  
we would like to challenge everyone to turn something that would otherwise be thrown away into something useful. Please email pictures of your creations no later than Friday 5th March and we will choose a winner from each year group. All entries will receive a certificate.
