

Life Skills

It is very important that we begin to learn and consolidate a range of life skills.

This week, the theme is CLEANING!

See if you can complete these activities and remember to send any pictures to our class email address so that Miss Pike and Miss Griffiths can see them!

1. Wash up everyone's plates, cups and cutlery after your evening meal.
2. Learn how to use your washing machine and do a load of washing.
3. Hoover the living room.
4. Help an adult to clean the bathroom.
5. Use a duster to get rid of dust and cobwebs to make your home nice and clean!
