

Handa's Surprise

Handa put seven delicious fruits into a basket for her friend, Akeyo. She will be surprised she thought. Which fruit will she like best?

Will she like the soft, yellow banana?

Or the sweet smelling guava?

Will she like the round, juicy orange?

Or the ripe, red mango?

Will she like the spiky leaved pineapple, the creamy green avocado or the tiny, purple passion fruit?

Which fruit will Akeyo like best?

"Hello, Akeyo," said Handa. "I've got you a surprise".

"Tangerines," said Akeyo. "My favourite fruit".

"Tangerines," said Handa. "That is a surprise."
