WALT: use direct speech to convey character.

Using the sentences we looked at on Tuesday, can you edit and improve them?

Can you change the 'said' word to something more exciting?

Can you add an action to convey how the character is feeling?

Remember you need to add the inverted commas in the sentences as well!

The first one is done for you!

1. What are we going to do with this monkey? asked Samantha.

"What are we going to do with this monkey?" asked Samantha worriedly, with a confused look on her face.

2. I can see the theme park over there! Yasmin yelled.

3. Can we change the channel, please? asked Luke.

4. Have you got your passport and your ticket? my aunt asked.

5. Today I am going to play football, announced Nick.
