

WALT: add using dienes. (Crossing tens)

Use your dienes and rods to add these numbers together. You will need to count into the next lot of 10. I have to count on from 17 and I go passed 20.

EG $17 + 5 = 22$

$8 + 4 =$	$9 + 6 =$
$7 + 6 =$	$17 + 4 =$
$19 + 6 =$	$18 + 7 =$
