 $\underline{\mathsf{WALT}}\!:$ gather ideas to plan a story

2 stars: today we would like you to use the sub headings to think of different ways we could change the story. You can show your ideas by drawing pictures and then trying to write a simple word or phrase underneath. Don't forgot to send us a picture of what you've come up with as we might use some of your ideas to help change our story.

| Th:b II . I | Th:- |
|--|--|
| Think of some new ways the story could begin. | Think of different family members instead of the mother. |
| | |
| | |
| | |
