

Safer Internet Day

09.02.21

**What devices do you use
to find information online?**

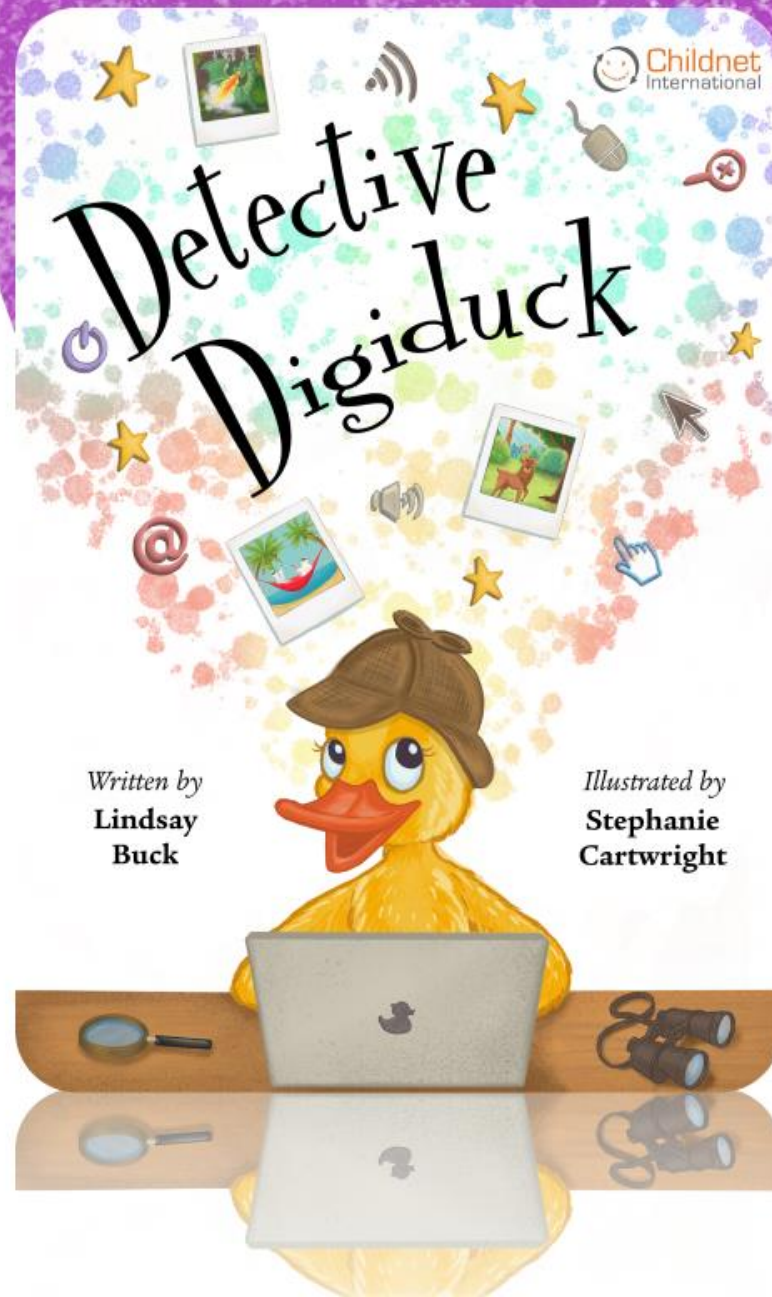

What do you like
to do online?

Is everything you see or read online true?

Safer
Internet
Day 2021

Additional questions...

- 1 Do you talk to family or friends online? How?
- 2 What websites or online games let people talk to each other who don't know each other in person?
- 3 What facts about yourself should you not tell to strangers online and offline? What can we call all these facts?
- 4 Which adults would you ask for help if something worried you online?
