A little overwhelmed, would not listen.
All went very well, good to see the children motivated.
Better notice of when these workshops are taking place and first thing or last thing in the day (sensible times) 10:30 is a difficult time for working parents to attend these sessions.
Both me and Vinnie enjoyed today. Thank you.
Brilliant thank you
ensure that there is plenty of notice given to parents/ adults of the dates of these workshops. Otherwise, these are very good and information. Thank you :)
Excellent well-presented lesson
Excellent work
Fab inspire!
Good Inspire workshop
good inspire workshop
Great opportunity to see my daughter learning English in her class
great session
Great session, I really enjoyed seeing how the children prepare for SATS especially the more complex terms like past perfect tense etc.
I am happy and proud with the way my child is learning
I enjoyed working with my child would like to see more if this in future
I found the SPAG session interesting. It was good to know what the children will need to know for SATS
I think I am learning with my child. It is really help one to improve my English as well. Thank you
I think it's been amazing time and my child really liked me there. Nice to see how much they know.
I think she was a little weird because she used to be shy when in presence of me or my wife. Thank you.
I think this session was very useful. It really helped me to understand what the children learn.
I think workshop very useful to my child.
It is always great opportunity to sit in the class to get more understanding on how they learn.
It was enjoyable but I think some of the parents could be a distraction
It was very enjoyable. Glad I came.
It's very helpful to see how my child is learning so I can support him further at home. The teacher is brilliant! Thank you
