Reception:

- My son really enjoyed this workshop today and so did I.
- Lovely class and very supportive teachers. Thank you for inviting us to see how our children learn.
- It was a fantastic opportunity to witness my child in their learning environment.
- Good improvement seen in my child. Thanks.
- Thoroughly enjoyed the experience. Will return if I'm allowed to.
- I found it useful to see how everything is taught and what mediums are used. My child also enjoyed doing all the activities with me.

Year 1:

- Thank you for giving me the opportunity to see how my child is learning in school.
- I am happy with the way the children are being taught – it's a good job.
- I am so happy with the way my child is taught – I can see his progression. Well done teachers!
- Great session. Look forward to the next one.

Year 2:

- Thank you for letting me get involved with my child's education.
- Thank you for everything that you do for my child and helping her mind grow.
- Thank you for having us.
- Both my child and I really enjoyed the session. My child was so proud to tell me what is where in the classroom and I found it very helpful to understand how maths is taught.
- Parent involvement would be good but work commitments obviously make it difficult.
- Thank you. I have missed the Inspire Workshops.
- Thank you.
- I will continue shapes and patterns at home with my child.
- Really good to come as children enjoyed it.

Year 3

- I have enjoyed working with my child today and seeing him work in the classroom around his class mates.
- It was really nice seeing my child in class and learning the way it is taught in class. I would definitely like to attend another one.
- Thank you very much. I have really enjoyed today's workshop. I have really missed the Inspire mornings.
- My child is really enjoying his time. It's lovely to see him interact and focussed. 😊
- The teachers are doing a fab job keeping children engaged and making learning fun!
- With homework, I struggle knowing which method in school is used, causing upset if I try to help differently.
- Very interactive; a fun session. This kept everyone engaged. 5-stars. 😊
- Really enjoyed this maths Inspire Workshop. My child was happy to have me there.
- Really enjoyed my morning with my child.
- I'm glad that I took part in the workshop; now I have more understanding of how things work at school.

Year 4

- Thank you
- Thanks

- Workshop was good. My child enjoyed it.
- Enjoyed this. Thank you.
- Very well organised. Makes maths fun and easy for the children to learn.

Year 5

- My child enjoyed spending time with me and making learning fun. Be great to do more activities in the future. My child loves art!
😊
- I enjoyed my time with my child to see how they are taught in maths in the classroom.
- Fabulous workshop. Lots of motivating activities that children found fun. Lovely ideas for doing at home with children. Thank you.
- It was good to see how my child is taught.
- Nice interaction with the children.
- Excellent interactive session.
- A brilliant session.
- Really enjoyed the session. Thank you.

Year 6

- Enjoyed having the chance to see how my child is taught.
- I think that I can help my child more with his learning at home. This has helped me understand more.
- Very beneficial experience. Thank you.
- Lovely workshop. Thank you.
- Lovely session thank you.
- Enjoyed today's session and I joined in as well with the maths. Well done, great teaching.
- Enjoyed this session.
- Very informative as it gave a better understanding of how certain aspects of the maths methods are taught.
- Really enjoyed the session. It was good to see how the children are taught.
- No questions, but I did enjoy it.
- Was a really good workshop. It was nice to see what our children do and learn at school.
- Found it very interesting, especially knowing how it's taught at school.
- Thank you.
