

Parent Evaluation of the Reading 'Inspire Workshops' AUTUMN 2024

Responses to question 8

8: Are there any questions or comments that you would like ask or make?

- The workshop is really a great moment for both parent at child, we observed the great development on kids
- Really good interactive learning with independent reading too. The activities really checked their understanding of the texts.
- Very enjoyable workshop.
- Amazing workshop
- Great workshop really enjoyed
- The teachers have been 👍
- I enjoyed spending an hour learning about what they are learning
- Really enjoyed the inspire session. It gave us understanding of how it is taught to read, and would help us at home to help them with reading.
- Fantastic workshop, I have a greater understanding of the new phonics programme.
- The teacher was very good, the activities were planned and executed very well.
- It was very helpful to understand how the reading skills help in other aspects of curriculum.
- Thank you for your support and patience you guys make him a better man each time he comes back home.
😊
- The inspire session was a great way to see how lessons are taught and provided me with lots of insight.
