

Reddal Hill Pen-pal Scheme

To help you keep in touch with your friends during lockdown, we are opening up a Reddal Hill post office just for you

It works like this:

1. Use the template included in your home learning pack each week to write letters to your friends. If you are unable to independently write a letter, you could dictate what you wish to say to an adult, who could write it down for you. You should try to write your own name at the end.
 2. Either fold the letter in half or put it inside an envelope (instructions overleaf for how to make your own) and clearly label the letter / envelope with the name and class of the friend you are sending it to.
 3. Post your letter in our very own post box, situated under the canopy on the main playground, by 3.15pm each Friday.
 4. The letters will quarantine over the weekend and be distributed to your friends with their home learning packs the following week.
- This is open to all year groups and you can send as many letters to as many friends as you like — it's good to talk!
