

PSHE: Britain, Neighbourhoods, Communities and Diversity.

Week 1

WALT: talk about the range of faiths and ethnicities in Britain and identify ways of showing respect.

Britain is a diverse society. This means that there are many differences between the people living in our country. There are people of different cultures, traditions, beliefs, religions and ethnicities. This is something that makes Britain an exciting place to live! It is important to show respect to those with a different faith or ethnicity to our own.

Your task is to design a poster in the box below, explaining to others in school how we can show respect to each other and explain why it is important!

A large, empty rectangular box with a black border, intended for a student to design a poster. The box is currently blank, providing space for text, drawings, and other visual elements related to the task of explaining how to show respect in school.
