*GLEE – Growing Learning Enjoying Excellence*

At Reddal Hill, we are always working hard to provide an excellent education for you. We have high expectations and want you to be creative and innovative whilst learning through our exciting and challenging curriculum. As well as this, we always have key areas we are focusing on. This year, they are:

To continue to develop your skills in **READING, WRITING, PHONICS** and **MATHS** so that you can achieve your very best.

To further develop our curriculum, including PE celebrations, working towards an Arts Mark Award and introducing Peer Mediation and Playground Buddies.

To continue to make links from what is taught in EYFS to KS1, KS2 and future learning.

To continue to give you the **SUPPORT AND GUIDANCE** that you need to achieve your true potential.

To do this, we need to work together...

Your teachers will do their best to give you an exciting and challenging education.

Your parents will love, encourage and support you while you learn at home and school.

You will do your best, complete your homework and enjoy your learning to achieve your full potential.
