

# Reddal Hill Primary School

*GLEE - Growing Learning Enjoying Excellence*

At Reddal Hill, we are always working hard to provide an excellent education for you. We have high expectations and want you to be creative and innovative whilst learning through our exciting and challenging curriculum. As well as this, we always have key areas we are focusing on. This year, they are:

To continue to develop the attainment in **READING, WRITING, PHONICS** and **MATHS** throughout the school so that your child makes good progress.

To further develop our curriculum, including PE celebrations, working towards an Arts Mark Award and introducing Peer Mediation and Playground Buddies.

To continue to give your child the **SUPPORT AND GUIDANCE** that they need to achieve their true potential.

To continue to make links from what is taught in **EYFS** to **KS1, KS2** and secondary education.

To do this, we need to work together...

As teachers, we will do our best to provide an interesting and challenging education.

You will love, encourage and support your child while they learn at home and school.

Your child will do their best, complete their homework and enjoy their learning to achieve their full potential.

Written for the parents 2022
