Choose and complete **four** homework tasks and return to us by **Wednesday 14th February 2025**.

Evidence can be photographed/videoed and sent via your '2Simple Evidence Me' app. Ideas and help for parents are on the back.

Physical Development

Can you practise different movements? Can you go over and under obstacles? Can you move high and low?

Communication and Language

Ask your grown up to share a story with you. Can you talk about what happens in the story? Practise longer sentences, using 'and' or 'because'.

Maths

Can you find one more or one less? Using your toys, practise finding one more and one less. Can you say what is one more or one less?

Literacy

Can you write a few words or a sentence about your favourite story? Can you draw a picture to show us what happens in the story? You can also orally re-tell your favourite story.

PSED

Can you talk to someone in your family about something you are good at and something that you would like to get better at doing?

EAD

Can you use a range of materials to make your own musical instrument? Can you name the instrument you made?

Understanding the World

Can you talk to someone about different places you have been? What have you seen in your local area? Think about places like shops, places of worship and parks.

Ideas for Parents

Physical Development

Find a safe space to practise moving in different ways. Take some pictures of your child exploring different ways of moving -

Example comment - *Here is Tim crawling under an obstacle.. Here is Tim climbing over an obstacle.*

Literacy

Choose your favourite story book and either write a few words or a sentence about the book. Your child may also want to draw a picture of what happens. Take a photograph of the writing. Example comment - *Tim wrote "he has orange eyes" about the Gruffalo.. Tim was able to write the sounds when I said them. Tim also drew a picture of the Mouse and the Gruffalo.*

Maths

Gather together a range of toys. Practise finding one more or one less using your toys.

Photograph or video your child finding one more and one less. Example comment - *Tim found 7 cars and worked out that one more was 8 and one less was 6.*

PSED

Take a clip of your child talking about their achievements and goals.

Example comment - *This is Tim talking about how he is good at running but wants to get better at writing.*

EAD

Can you make a musical instrument using different materials. Take a picture of your child's instrument.

Example comment - *Tim used a box and a tube to make his instrument. He said it was a guitar.*

Understanding the World

Go for a walk around your local area. What did you see? Video your child talking about their walk around the local area and the different places/ things they saw.

Help for Parents

Homework can either be videoed or photographed and sent to us via your '2Simple Evidence Me' app.

Keep your videos short! Longer videos will need to be converted as they will not upload.

Please make sure that you send each photograph or video individually with a written comment, explaining what your child is doing. Please also tell us whether they have needed any help or not.

If you require any help or support with any of the tasks, please speak to your child's class teacher. We cannot wait to see all the wonderful photographs and videos!
