

Year 1 Homework Grid – Spring Term 1 – 2025

Homework due every Wednesday (Taken home on Friday)

You must do all three boxes every week: Reading, Maths and Handwriting.

Reading  Read for approximately 10 minutes every day. You may read books from home, school or the school website (virtual library virtual-library-final-draft.pdf (primarysite-prod-sorted.s3.amazonaws.com)). You can also read magazines, newspapers, packaging, computer information etc. Fill in your reading record every time that you read.	Maths  Complete the set maths homework. <u>Extra maths learning opportunities</u> You can also go on Hit the Button to practise your number bonds and times tables. Try to do approximately 5 minutes every day.	Handwriting  Complete the set letter formation sheet each week. When completing this, please use all of the space provided for this.
---	---	---

Project-Based Homework: The suggested ideas below are linked to the work that you will be covering in class this half term. You can choose a **minimum** of three projects to complete during the half term. However, if you would like to, or have time to, you can do as many as you like. Your work can be presented in many different ways, such as through art, presentations to the class, on the computer, 3D models or written work etc.

Be creative and have fun learning! Be creative and have fun learning!

You will get 20 planet points every time you bring in a project-based homework!

Science  Plants	Research the scientist Charles Darwin and present your findings in your own way.	Investigate – What do plants need to survive?	Go for a walk to your local park. Can you see any signs of Spring? What plants/trees can you see?
Geography  What if we lived in London?	Create a poster all about the main tourist attractions in London.	Write down all of the countries in the United Kingdom (U.K). Research some facts about each of the 4 countries.	Create a UK landmark out of recycled materials.
Design and Technology  Structures	Sketch your favourite park structure.	Using junk modelling, create a free-standing structure that you could use in the park.	Using construction equipment (Lego etc) to make a bridge or a piece of playground equipment.
PSHE  Dreams and Goals	Design a poster about what occupation you would like to have when you are older.	Create a poster about your role model, or someone who inspires you.	Write down a list of all the things you are successful at. Then, think of one thing that you would like to achieve by the end of Year 1.
Other	Computing  Complete some tasks on purple mash.	RE  Create your own Chinese dragon to celebrate the Chinese New Year.	P.E  Create your own warm up game. Share your game with your teacher!
