# Year 2 Homework Grid — Spring Term 1 — 2025

## Homework due every Wednesday (Taken home on Friday)

#### Reading

Read for approximately 10 minutes every day. You may read books from home, school or the school website (virtual library <u>virtual-libary-final-draft.pdf</u> (<u>primarysite-prod-sorted.s3.amazonaws.com</u>)). You can also read magazines, newspapers, packaging, computer information etc.

Fill in your reading record every time that you read.

#### Maths

Complete the set maths homework.

### Extra maths learning opportunities

- Practise your times tables using your TT-Rockstar's log in.

Complete Mathletics activities and collect 1000 points a week to earn a certificate!

| D 1D 1H 1 = 1 = 1 = 1 = 1 = 1 = 1 = 1 = 1 =   |                                       |                                      |                                      |
|---|---------------------------------------|--------------------------------------|--------------------------------------|
| Project-Based Homework: The suggested ideas below are linked to the work that you will be covering in class this half term. You can choose a          |                                       |                                      |                                      |
| minimum of three projects to complete during the half term. However, if you would like to, or have time to, you can do as many as you like. Your work |                                       |                                      |                                      |
| can be presented in many different ways, such as through art, presentations to the class, on the computer, 3D models or written work etc.             |                                       |                                      |                                      |
| Be creative and have fun learning! You will get 20 planet points every time you bring in a project-based homework!                                    |                                       |                                      |                                      |
| Science   | Look around your home and make a      | Make a seasons picture. Be creative! | Go on a minibeast hunt and write     |
