Non-Fiction

WALT: edit our writing

3 stars: today you need to read through your instructions from yesterday. Use the check list below to help you edit your work, just like you did with your stories. Try to use a different coloured pencil or pen when you are editing your work so you can see any corrections that you make.

I have included:	Self-assessment:
Capital letters to start my sentences.	
Full stops to end my sentences.	
Invisible pairs between my words (finger spaces)	
Snuggled letters (no spacing between letters).	
Title	
Bullet Points	
Time Connectives (first, then, next etc.)	
Imperative verbs (put, push, pull etc.)	
Concluding sentence	

Here are some examples of Year 1 common exception words (these are words that children often find tricky to spell because they can't sound them out). If you have spelt these correctly give yourself a tick!

one	
push	
pull	
put	
you
