

Activity 4

Fables

WALT: create new ideas for our own fables

In our fable it discussed how characters got their defining feature
E.g. Kangaroo got short arms as they were broken in a fight.

You are going to pick at least 2 of the animals below and draft ideas of how they might have gotten their own defining features. This will help you to write your first fable ending tomorrow.

Animal 1:

Defining feature:

How did they get it?

Animal 2:
