WALT: Plan a 5-part story

Structure	Original	Own Ideas
Opening	George found an unusual egg under his mother's chicken. The egg hatched and out popped a dragon.	
Build up	George taught the dragon how to do things. - Flying - How to breathe fire.	
Problem / dilemma	The dragon was lonely. One morning, George woke up and the dragon had gone.	
Resolution	One evening, the dragon came back. George climbed onto his back. The dragon took George to where the dragon's live.	
Ending	George had to leave where the dragon's lived and said goodbye to the dragon.
