Don't forget to send pictures of you doing these activities to inbox@2buildaprofile.com

1 Star - Find **three** different things from around your house. Can you measure how long they are? Try using something like Lego or blocks to measure. Can you record your answers e.g. a cup = 5 blocks.

2 Stars - Find **four** different things from around your house. Can you measure how long they are? Try using something like Lego or blocks to measure. Can you record your answers e.g. a book = 7 blocks.

Challenge yourself to work out the shortest and longest item that you measured e.g. shortest - cup = 5 blocks, longest - pillow = 20 blocks.

3 Stars - Find **five** different things from around your house. Can you measure how long they are? Try using something like Lego or blocks to measure. Can you record your answers e.g. a pillow = 20 blocks.

Challenge yourself to work out how much longer the longest item was than the shortest, e.g. a cup = 5 blocks, a book = 7 blocks. The book was 2 blocks longer.
