

WALT: compare sums.

The crocodile always eats the bigger number.

Work out the answers to the sums and use the $<$, $>$ or $=$ sign to compare the value of the sums.

$12 + 12$

$10 + 12$

$17 + 11$

$15 + 13$

$35 + 24$

$34 + 12$

$71 + 24$

$70 + 26$
