Gangsta Granny

WALT: write your own gangsta story.

"That ring was just the beginning of a lifetime of crime."

'Ben smiled broadly. He suddenly remembered how he had used to love his granny telling stories when he was younger, transporting him to a magical world. A world where you paint pictures in your mind that are more thrilling than all the movies or TV shows or video games in the universe.'

Using your plan from yesterday, can you write your gangsta story.
