

WALT: use arrays to multiply numbers by more than 3.

Watch the video on the school website to see how we can use arrays to multiply numbers. EG $5 \times 4 =$

The number 5 tells us how many circles we need. The 4 is how many dots in each circle. Then count them up.

1) $9 \times 7 =$

--

2) $12 \times 4 =$

--

3) $8 \times 6 =$

--

4) $7 \times 8 =$

--
