WALT: write an opening

3 stars: today you will be continuing to write your openings. You need to use your new box it up plan from Monday to help you with your writing today. Remember, this is a new opening so it should be a different opening to your one last week. Try and add in some adjectives today and some adventurous vocabulary. Here is my example below:

Granny mole told the three mini moles that they would have to build their own amazing houses. So, the three mini moles packed a huge bag and they got changed. They gathered some copper, stones and twigs and set off on an incredible journey to build a new home. Did the moles get into any danger? Would they ever see granny again?
