quarter
past 9

quarter to 7

quarter
past 5

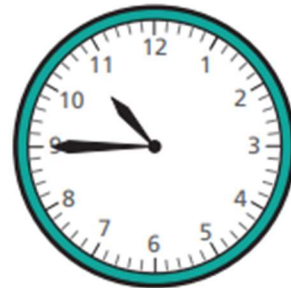

quarter to 3

At quarter past the minute hands points at _____

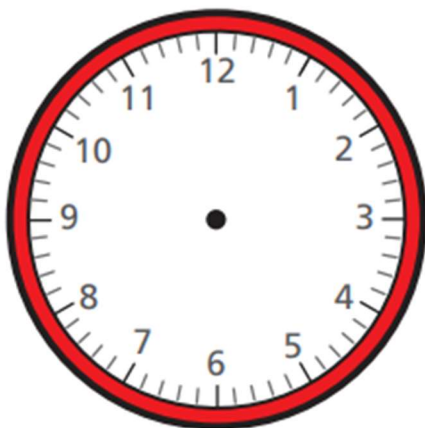

At quarter to the minute hand points at _____

Activity 2: Write the correct time that the hands on the clock are showing.

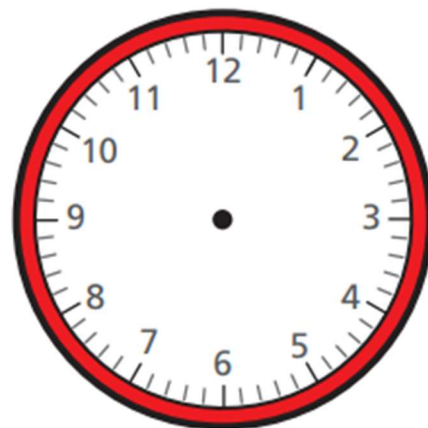

Use the words : quarter to and quarter past to help you.

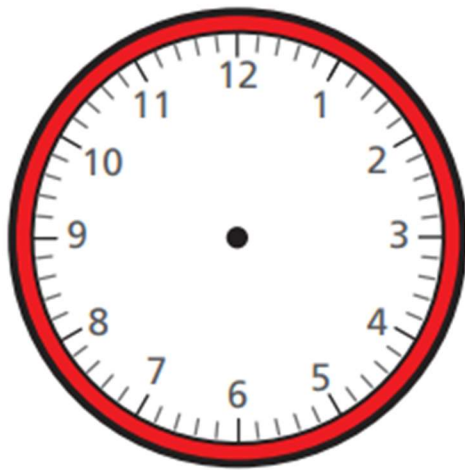

Activity 3: Draw hands onto the clock face to match the time written.

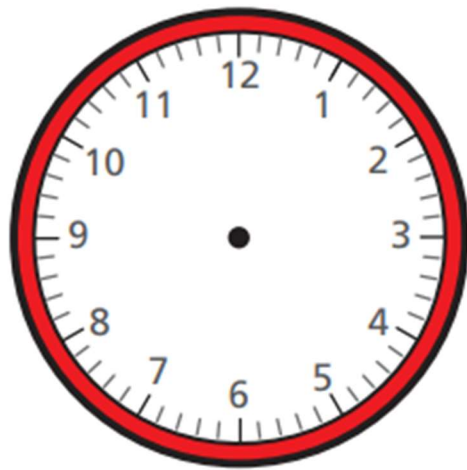

quarter to 4

quarter to 1

quarter past 11

quarter past 3

Challenge: Explain your answer.

The clocks have no numerals.

a)

You can still
work out what time
they show.

Why does Dora think this?

b) Write what time each clock shows.
