

Wednesday

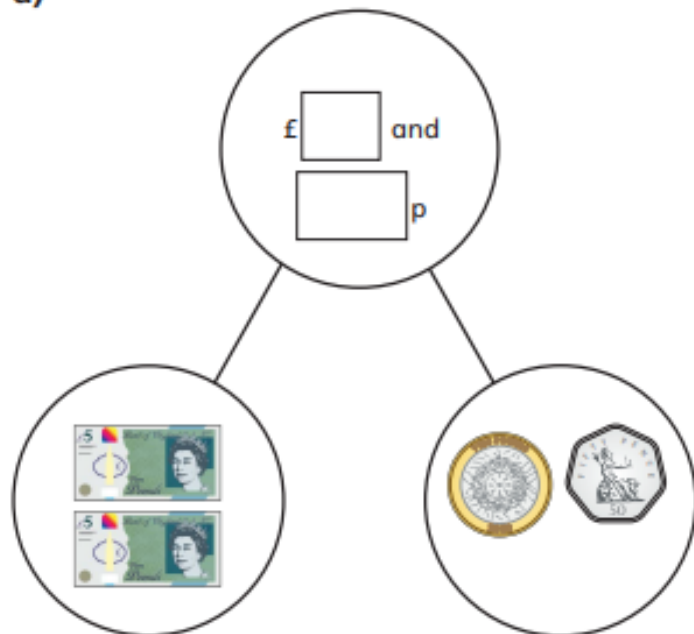

Money

WALT: add money **

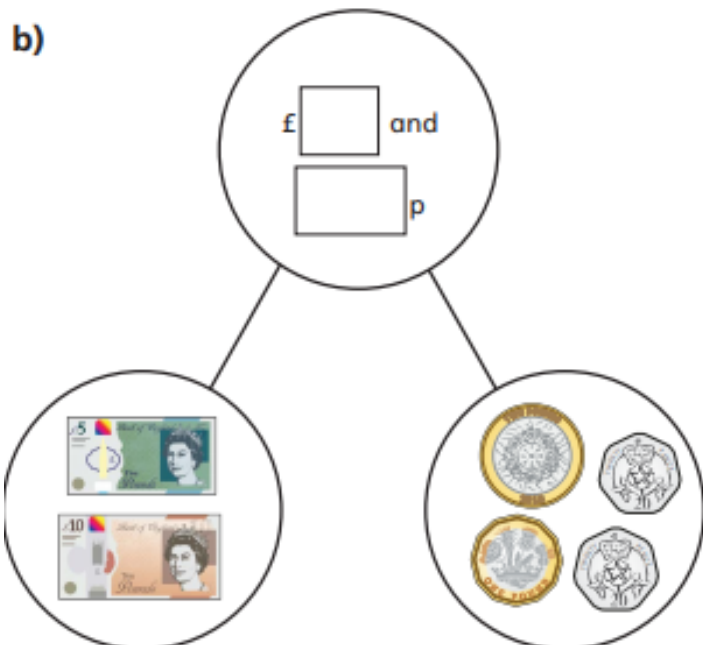

In today's lesson you are going to use your knowledge of money to add different amounts.

Complete the part-whole models.

a)

b)

Dora buys two birthday cards.

Complete the sentences to show how much money Dora spends.

$$£ \square + £ \square = £ \square$$

$$\square \text{ p} + \square \text{ p} = \square \text{ p}$$

Dora spends £ \square and \square p.
