

WALT: add using dienes

Draw your dots to represent each number and then count them all together. If a number is over 10 then you will need to use a rod to represent your tens.

$12 + 4$	$11 + 5$	$14 + 5$

$12 + 11$	$16 + 12$	$27 + 12$

$26 + 21$	$33 + 23$	$47 + 31$
