Today's session focuses on the sound 's' being spelt with a 'c'.

Today's session focuses on the sound 'n' being spelt with 'kn'.

Today's session focuses on the sound 'r' being spelt with 'wr'.

Today's session focuses on the sound 'l' or 'ul' being spelt with 'al'.

Writing

Today you are going to learn all about features of an informal letter. Read the letter and pick out the features.

Today you are going to explore the vocabulary and meaning of the words in the letter. Use the mini dictionary to help you.

Today you are going to think of some new ideas for your letter. Use the questions to help you think of what you could write in a letter.

Shared Write:
Using my shared write, write the first part of the letter. Remember your capital letters and full stops.

Shared Write:
Using my shared write, write the second part of the letter. Remember your capital letters and full stops.

Reading

Read the Burns Night information text and answer questions about it.

Read the 'Monster Surprise' book. What happened in the story? Talk to an adult about it.

Read the 'Back to earth with a bump' book. What happened in the story? Talk to an adult about it.

Read the 'Knights and Dragons, Unite!' book. What happened in the story? Talk to an adult about it.

Read your home reading book. Make sure you come into school to get it changed!

Maths

This week we are learning about multiplication and division. Today we are creating groups of equal numbers.

Today you will have a sentence such as '3 equal groups of 2' your job is to turn this into an addition sum. This will help you to understand multiplication.

Today you will be given an addition sum and your job is to turn it into a multiplication sum. Make sure you use the x symbol.

Today you will be given equal groups and your job is to construct a multiplication sums using the groups and find the correct answer.

For arithmetic today, you have a mixture of the skills you have been practicing the past few weeks.

Topic— Choose 1 a day

Science

You will be learning how living things are dependent on each other. Look at the PowerPoint and complete the activity sheet.

PSHE

Are you a good role model at school? Answer the questions about your school journey.

Art

Either use the foam board to create a print or watch the YouTube video to learn how to draw an astronaut.

P.E

Follow the link to the Joe Wicks exercise with Spider-man.

Life Skills

Think of a time when you have felt all the emotions that are listen and think about why you felt that way?

Topic— Choose 1 a day

Music

Learn how to follow a beat using drums by watching the You Tube video. Get your pillows and kitchen utensils ready!

P.E

Follow the link to the Minecraft yoga session.

History

Watch the video on the school website. Then you are going to be designing your own ship to travel the world. Think about all the things you would need to survive for a long time on a ship.

Communication

Use the conversation starters to have a conversation with a member of your family. After you have answered some questions, maybe you could ask members of your family these questions too.

RE

Watch the video on the school website about the teachings and stories of the Prophet Muhammad. Then think about a story or teaching that has changed your or a parent's life. Write a paragraph to explain, draw a picture too,
