Writing

Fiction or non-fiction. Read the PowerPoint and sort the features into Fiction and Non-fiction.	Sequencing and story map. Read the story 'Hansel and Gretel'. Order the story and then create your own story map.	Read the text about Hansel and Gretel and then answer questions about what you have just read.	Write a character profile. Use the word bank to create a character profile of the old women. Remember to use lots of adjectives.	What are they thinking? Use the character speech bubbles to think about what the characters might be thinking at different parts of the story.

Maths

Today you are going to be looking at odd and even numbers. Watch the video on the website then complete the sheet.	Today you are going to be comparing sums. Find the answers to the sums then use the < , > or = sign to compare the answer.	Today you are adding numbers to a number line. Use the numbers that are already on the number line to help you. Or count the lines to find the place.	Today there is only one sheet. There are 5 different place value problems for you to complete.	Today is your arithmetic practice. Today you are practicing adding and subtracting. Always check the sign first.
